

## **Abstract**

<b>Title:</b>	MANAGEMENT OF PRAGUE MINIFOOTBALL ASSOCIATION
<b>Objectives:</b>	<p>Main objective of the thesis is generation of suggestions for improvement of PSMF.</p> <p>Secondary objectives of the thesis are development of strategic plan and an action plan for its attainment; establishment of organisation goals, generation of proposal for amendment of the charter or other organisation documents; analysis of various aspects of association management.</p>
<b>Methods:</b>	<p>The thesis utilises methods of document analysis, observation and unstructured interview. Following documents were selected for analysis: charter, propositions for Hanspaulska league, competition and disciplinary rules. The observation refers to STDK and secretariat.</p> <p>A total of two interviews were conducted with the chairman of the executive committee Karel Filip.</p>
<b>Results:</b>	<p>As a result of the analyses, problems were identified in the areas of planning, organisational structure and marketing. A strategic plan was developed along with suggestions for changes in management positions. The findings along with this thesis will be presented to the chairman of PSMF, Karel Filip, who can together with the executive committee deal with them.</p>
